

Greetings in the name of our Lord Jesus Christ:

As you may know, during the current COVID-19 epidemic, **First Presbyterian Church** has been holding our worship services (Sunday @ 10 a.m. and Wednesday @ 7 p.m.) through simulcast on our Facebook page. Well, not everyone has a Facebook account or might be uncomfortable accessing the service through this means.

Due to the great generosity of a member of the church, we are now able to connect folks with our live service through their phones, either landlines or cellphones. It is a simple procedure and there is no cost associated with this service. If you wish to join us on Sunday morning or Wednesday evening, please follow the instructions below:

Skype Live Service Listening Instructions

Five minutes prior to the start of a worship service, and continuing for the duration of the service, you can join us to listen by following the process listed below:

Using your cellphone or landline, please call one of the following numbers:

1-833-391-8638 or 1-650-215-5192

When prompted to enter a "Conference ID" . . . please enter **4266990353** and press the # **key three times to enter to call.**

Your phone will be muted from our end, meaning that you will be able to hear the service, but your phone will not transmit any sound back to us, thus avoiding any background noise or conversation that could be occurring in your home.

To disconnect from the worship merely hang up or press end on your cellphone.

Thank you.
