VBS Mission Focus –

In Person: FPC Community Garden

Monetary: Presbyterian Giving Catalog

Isaiah 42:5-6

Thus says God, the LORD, who created the heavens and stretched them out, who spread out the earth and what comes from it, who gives breath to the people upon it and spirit to those who walk in it: *I am the LORD, I have called you in righteousness, I have taken you by the hand and kept you; I have given you as a covenant to the people, a light to the nations.*

Now is the time to be the light to the nations that God has called each of us to be.

The FPC Community garden has provided home grown vegetables and flowers to local community members for a number of years. When you participate in in-person VBS, you will connect with nature and care for God's creation. By doing gardening chores, you will help ensure that this ministry continues in the future. For further information, please contact the FPC Mission Committee.

Monetary gifts to the Presbyterian Giving Catalog are signs of our gratitude. These gifts feed the hungry, comfort the broken hearted and share our faith with young and old. Gifts may be used to purchase a fishing net, a family of chickens, a jerry can, a kitchen kit, or a garden for school children in Haiti.
